About me

I am a frontend developer with experience

SPA development using React, Redux, TypeScript, JavaScript, SCSS, HTML.

In my free time I delve into familiar technologies, improve my skills, and also solve problems on Codewars, improve my knowledge of English. I will consider options for remote work, work in the office (full-time), ready for relocation.

Skills

- React/Redux
- React-Router-Dom
- Redux-Thunk
- JavaScript/TypeScript
- Axios/RESTapi/Postman
- TDD/Jest/Storybook
- React-hook-form/Formik
- MaterialUI/Ant Design
- HTML5,CSS3,SCSS
- Git

Languages

- Russian(native)
- English A2 (Pre-intermediate) in progress
